Dear Lucas Aosf,

I am pleased to inform you that we have decided to accept your submission without further revision. After careful review, we found your submission, "Update and expansion the distribution of *Melanophryniscus moreirae* Gallardo 1966 in southeast Brazil, using citizen science data", to meet or exceed our expectations. We are excited to publish your piece in Reptiles & Amphibians and we thank you for choosing our journal as a venue for your work.

Your submission is now forthcoming in a future issue of Reptiles & Amphibians and you are welcome to include it in your list of publications. We recognize the hard work that goes into every successful submission and we want to congratulate you on reaching this stage.

Your submission will now undergo copy editing and formatting to prepare it for publication.

You will shortly receive further instructions.

If you have any questions, please contact me from your submission dashboard (https://journals.ku.edu/reptilesandamphibians/authorDashboard/submission/24093).

Kind regards,
Ken Toyama
